TENCATE
materials that make a difference

SGW IS THE EXCLUSIVE
DISTRIBUTOR OF EVERLAST TURF
& AMERICAN-MADE TIGERTURF

SGW PRODUCTS

The most technologically advanced and highest quality synthetic grass on the market.

Requires zero watering. No maintenance (no mowing, no chemicals, no weeding, no trimming)

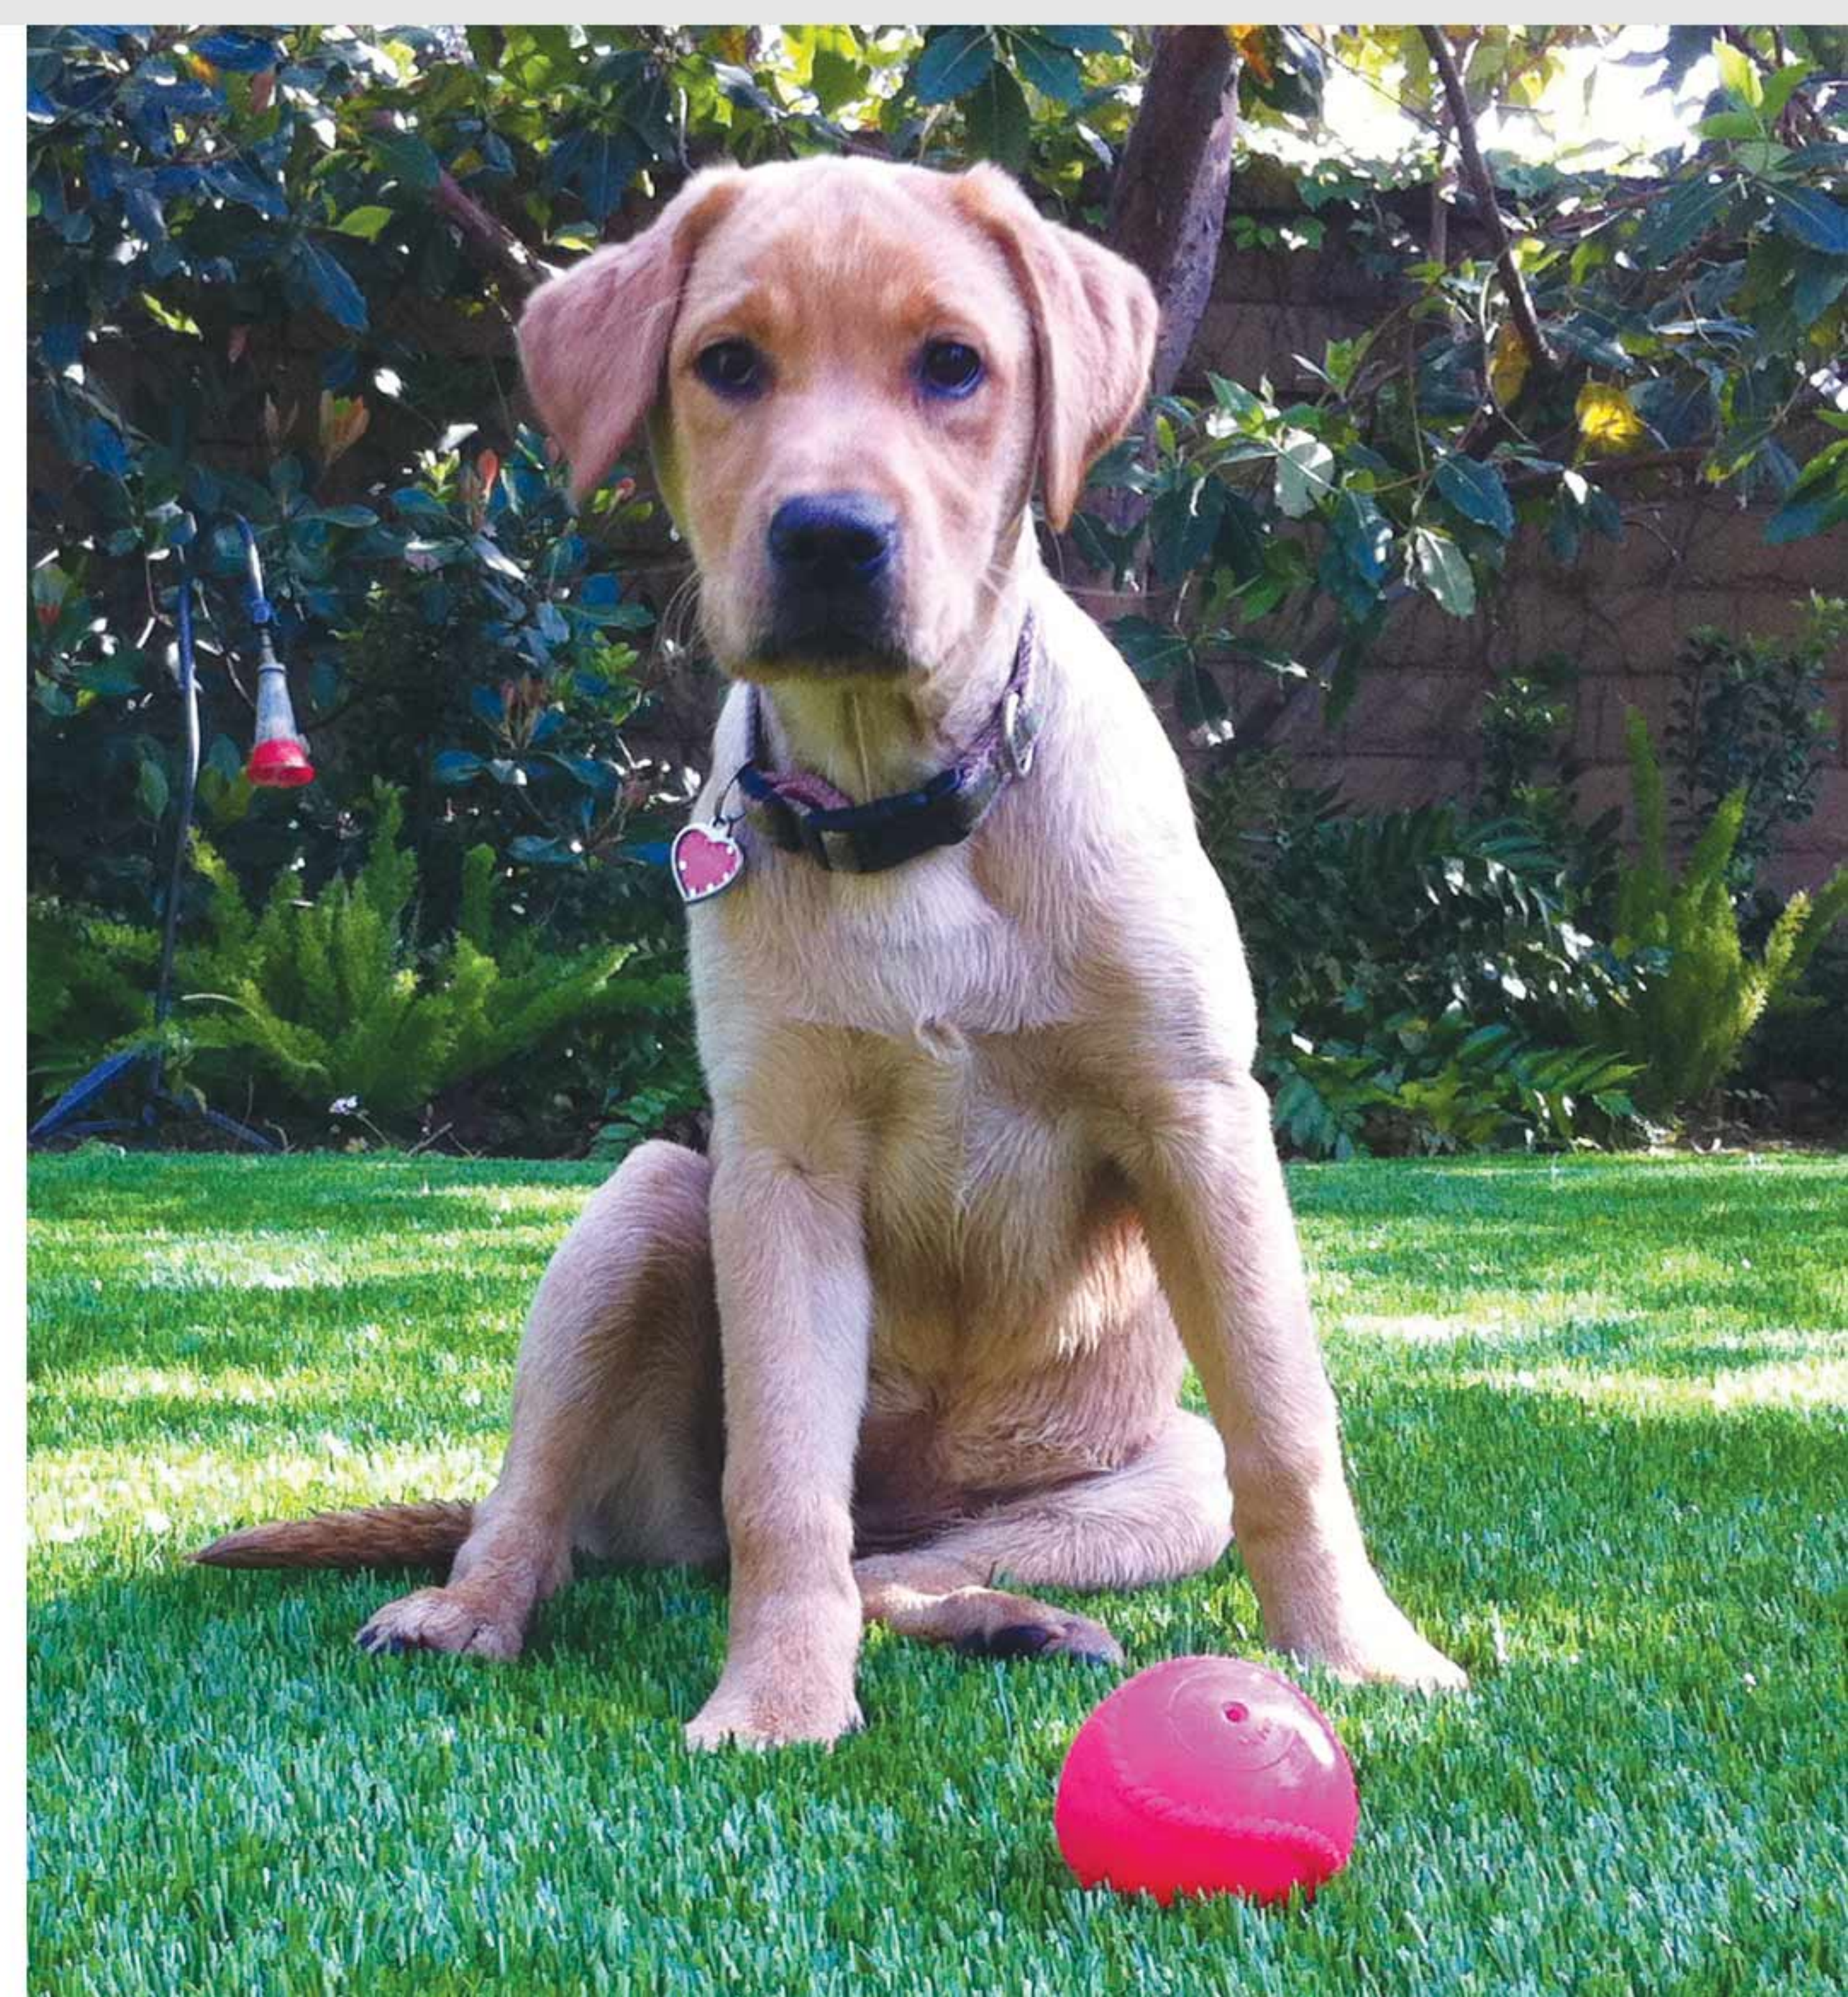

Safe for pets

All products are safe & non-toxic

Filtration system, highly durable, can withstand heavy foot traffic, pets and extreme weather

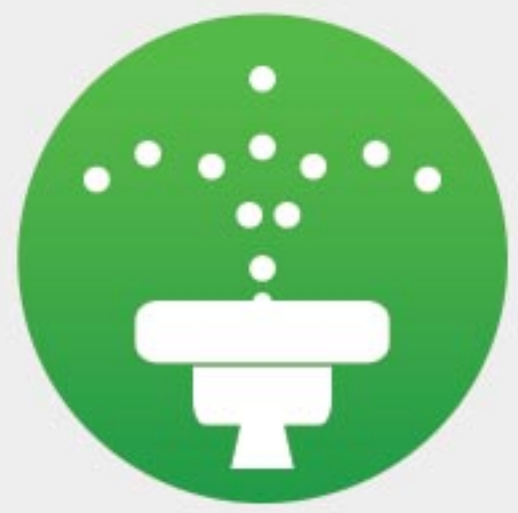

New synthetic turf has come a long way. It can look great, last longer, and save water. (12.5 gallons per 100 feet per day)

Watering your lawn for just 5 minutes will waste, some 25 gallons of water.

5% of air pollution in the United States is attributed to lawn & gardening equipment.

More water is used each day for irrigation than any other water use category.

More than
50%
of our water bill is dedicated to watering natural grass.
